§ 906.1 Purpose.

This part codifies the provisions of the Section 5(h) Homeownership Program for public housing, as authorized by sections 5(h) and 6(c)(4)(D) of the United States Housing Act of 1937 (Act) and administered by the Department of Housing and Urban Development (HUD).

§ 906.2 Applicability.

(a) *General applicability.* This part applies to public housing owned by public housing agencies (PHAs) (excluding In-

dian Housing Authorities (IHAs)) subject to Annual Contributions Contracts (ACCs) under the Act. In reference to housing properties, "development" means the same as "project" (as defined in the Act). Similarly, in the case of a plan that was approved under the interim rule, before the effective date of the final rule (December 12, 1994), no modifications or additional requirements will be imposed under the provisions of the final rule, except for such reasonable administrative procedures.

A PHA may sell all or a portion of a public housing development to eligible residents, as defined under § 906.8, for purposes of homeownership, according to a homeownership plan approved by HUD under this part. If the development is subject to indebtedness under the ACC, HUD will continue to make any debt service contributions for which it is obligated under the ACC, and the property sold will not be subject to the encumbrance of that indebtedness. (In the case of a development with financing restrictions (such as a bond-financed development), however, sale is subject to the terms and conditions of the applicable restrictions.) Upon sale in accordance with the HUD-approved homeownership plan, HUD will execute a release of the title restrictions prescribed by the ACC. Because the property will no longer be
